## SOFT SKILLS

- Strategic Thinking and Decision-Making
- Teamwork and Collaboration
- Effective Communication
- Problem-Solving
- Adaptability and Quick Learning
- Attention to Detail
- Time Management and Multitasking
- Analytical and Critical Thinking
- Quick Reaction Time
- Risk Assessment
- Resourcefulness
- Conflict Resolution
- Leadership
- Perseverance and Determination
- Creativity and Innovation
- Stress management

## TECHNICAL SKILLS

- Programming Languages: Java, C++, Python
- Web Development: HTML, CSS, JavaScript, React, Node.js
- Mobile App Development: Android Studio
- Computer-Aided Design (CAD): SolidWorks
- Finite Element Analysis (FEA): ANSYS
- Integrated Development Environments (IDEs): Visual Studio Code
- Version Control: Git
- Operating Systems: Windows,
- API Development and Integration
- Data Structures and Algorithms
- Object-Oriented Programming (OOP)
- Responsive Web Design
- User Experience (UX) Design
- Graphic Design (e.g., Adobe Creative Suite)

## SUMMARY

A tech-savvy 3rd-year student skilled in Java, C++, Python, web/app development, databases, SolidWorks, ANSYS, and industry tools. Offers fresh perspectives, eagerness to learn, and ability to contribute to software projects, design tasks, and data management solutions. Adaptable, collaborative, and driven to apply academic knowledge to real- world challenges.

## EXPERIENCE

Student
**Sinhgad Institute ,Pune**

As a student at Sinhgad College, I'm developing a well-rounded skillset by mastering programming languages like Java, C++, HTML, Python, and DBMS, while also enhancing crucial soft skills like effective communication, creativity, collaboration, and a passion for continuous learning, preparing me for success in the dynamic technology industry.

## EDUCATION

03/2015-04/2019
**Sinhgad Institute of Technology and Science Narhe**
Bachelor of Engineering: Computer Science Engineering
- CGPA-7.79

05/2019-05/2021
**Nowrosjee Wadia college | Pune India**
HSC
- Percentage 86.54%

03/2015-04/2019
**St. Joseph English Medium School khalad**
SSC
- Percentage 89.4%

## LANGUAGES

Hindi
Marathi (advanced)
English (advanced)

## ACCOMPLISHMENTS

- Rank 2 in chess inter-state compition
- Football district level player
- Medals in silver zone Olympiad
- JEE percentile 83.9
- Certificate in Java and web development

## ARTIFICIAL INTELLIGENCE

- Chat GPT
- blackbox.ai
- AI Claude
- Google Gemini
- Leonardo.ai ( Image Generation)
- Copilot AI

## ALSO HANDS ON

- Microsoft Word
- Microsoft Excel
- Microsoft PowerPoint
- Microsoft Outlook
- Office 365 collaboration tools
- Cloud integration (OneDrive, SharePoint)

## EXPERIENCE IN AI

I leverage cutting-edge AI assistants like ChatGPT, Claude, BlackBollX, and Google Gemini for writing, analysis, and task optimization. I utilize Leonardo AI's image generation capabilities to create visuals and drawings. For coding, I employ GitHub Copilot integrated with Microsoft's tools, streamlining development processes. This multi-faceted approach allows me to maximize productivity by delegating tasks to specialized AI models, freeing up time for higher-level thinking and strategic decision-making. My proficiency in harnessing the power of AI enables me to work smarter, not harder, delivering superior results with enhanced efficiency.

## HOBBIES

- Cricket
- Chess
- Music
- Exploring
- Drawing
